Subject: Second invoice for the MPD recruit and retain initiative
Attachments: Bill Rhodes.pdf

Hello Ray,

I'm following up on a letter to Bill Rhodes from Bill Gibbons on February 1, 2018, regarding Mayor Strickland's initiative to recruit and retain MPD officers. Attached is a copy of that letter along with AutoZone, Inc.'s second invoice toward a four year pledge, and we have not received a response. I thought it may be helpful if I emailed this information to you and ask that you to bring it to his attention.

Thank you so much for your help!

Best regards,
Linda
